

*“They’ll help you to love the skin that you’re in,
As it keeps the outside out, and the inside safe in.
Be you salt washed, sun dried, tanned or fair,
At Duniye Spa always it’s for you that they care.*

*With hands oh so gentle, and soft smiling voices,
Always delighted to help you select of your choices.
Back neck and shoulders with hot rocks for me,
And then the delight of fresh, hot ginger tea.*

*All the staff are in fact angels, as soon you will know,
As with high expectation to Duniye Spa you go.
The outcome’s assured, you delight and your pleasure,
As another day in paradise is too full to measure.*

*Stresses and strains have all gone, and worries have too,
Come pamper yourself, for once be good to just you.
Yes of Duniye Spa staff, all their praises I’ll sing,
As into my life their sweet magic they bring.”*
